

Financial Assistance Request

Easter Seals NL offers many programs for persons with disabilities. The assigned registration fee varies and is according to the particular program. Fees are set to offset the full cost of delivery of each of the programs. It is not to be a detriment for participation.

To ensure that ESNL participants have equal opportunity to fully participate in programs regardless of financial circumstance we have a policy that no participant is turned away. Families and individual applicants can apply for financial assistance by completing the provided application.

All information submitted will be kept confidential.
